What programme is to be sent to the Ladies Club need be called for. Whether the Club need not also be given intimation of the proposed visit is a point for orders.

With regard to the visit to the Victoria Hospital the point for consideration is whether the detailed programme of events should be called for or not.

V.V. 11-23-93.

Dear Sir,

Regarding the decorations to be done at the Victoria Hospital on the occasion of the forthcoming Visit of ~~HIS~~ Her Excellency the Countess of Reading to the Institution, the President, Bangalore City Municipality informs ~~me~~ that as the whole of the Municipal staff will be fully engaged till the Viceroy's Visit is over, it is not possible for him to spare men for decorading the Hospital premises. He intimates also that no buntings &c., can be lent.

As you are aware, decorations to the Hospital premises have on similar previous occasions been invariably carried out by the Municipality as a part of the general programme of decorations for the portions of the City including public institutions, visited by the distinguished guests. It is not clear why the customary co-operation has been denied me this time. I would request you to kindly address the President and issue necessary instructions for the decorations being carried out. Unless the Municipality attend to the work (and it is impossible for the Medical ~~Officer~~ Department to undertake it) the decorations have

have to be dropped altogether from our programme - whic is obviously undesirable considering that unique event such as Her Excellency's Visit calls for marks of especial honour.

Yours sincerely,

/Letter No. 96 dated 18th November 1923 from Medical Officer, Victoria Hospital, Bangalore to the Senior Surgeon in Mysore, Bangalore.

Your D.O. of the 16th Instant. Mrs. Barton visited the Hospital on Monday last and was shown round the female wards operation theatre and the out-patients. She and the Inspector General of Police, who accompanied her, examined the lift and approved of its beingused to convey Her Excellency the Countess of Reading to the Female Wards upstairs in preference to a Chair being used for the purpose. Accordingly thelift is being painted and completely renovated. I request you to kindly let me know if you agree with them or would like the chair to be brought from Col. Standage.

Dear Sir,

With reference to your D.O. letter No. 179 of the 21st instant, I am desired to state that the Government do not consider that it will be appropriate to allow students of the Medical school to assemble at ~~the same distance of~~ the approach of the Victoria hospital on the occasion of the visit of Her Excellency the Countess of Reading as the school is not a part of the Institution.
